ART UNIT 332

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Andrea Mays, attorney of record, was contacted to determine status of the application as a response to the first Office action has not been received. Ms. Mays indicated that she is no longer prosecuting the application, but Katie Fain, of Mays & Fain, LLP, is now handling the case. Ms. Fain indicated that she did not receive the first Office action, but verified that the correspondence address to which it was mailed is in fact correct. Ms. Fain indicated that the case may be revived.
